ABOUT ME

Aspiring Data Analyst (B.Tech CSBS – Business Systems, 2026) with hands-on experience in SQL, Python, Power BI, and Excel. Strong in data cleaning, visualization, and extracting actionable business insights from realworld datasets. Actively seeking data analyst internships and entry-level opportunities, to contribute to datadriven decision-making.

EDUCATION

Bachelor of Technology (B.Tech) Computer Science & Business Systems, 2022-2026
St. Vincent Pallotti College of Engineering and Technology Nagpur, Maharashtra

WORK EXPERIENCE

RR Industry - June 2025 - dec 2025

Junior Data Analyst | Web Development Company

Led user behavior and conversion analysis for an e-commerce platform using SQL and Python on 10,000+ transactions to uncover sales trends, customer insights, and revenue growth opportunities.

TECHNICAL SKILLS

Programming Languages: C, C++, Python

Web & Backend: Flask

Databases: MySQL, Microsoft SQL Server, Supabase, Firebase

Data Analysis & Visualization: Power BI, Pandas, NumPy, Matplotlib, Plotly, SciPy

Machine Learning & AI: scikit-learn, TensorFlow, PyTorch

Cloud, Deployment & Hosting: AWS, Google Cloud Platform (GCP), Render, Vercel, Netlify

Version Control & DevOps: GitHub, GitLab

Platforms & Ecosystems: Cisco, Meta

PROJECTS

E-Commerce Sales & Customer Analysis

- Analyzed 10,000+ e-commerce transaction records using SQL and Python to understand sales trends and customer behavior
- Wrote complex SQL queries (JOINS, subqueries, aggregations) to extract customer, product, and revenuelevel insights
- Performed data cleaning and preprocessing using Pandas to handle missing values and inconsistencies
- Created visualizations using Matplotlib and Seaborn to identify top customers, best-selling products, and payment patterns
- Generated actionable insights to support revenue optimization and customer targeting strategies

Tools: Python, MySQL, Pandas, NumPy, Matplotlib, Seaborn

GitHub: SQL-Python E-Commerce Analysis Project

CERTIFICATES

- Google Data Analytics
- Microsoft Power BI Data Analyst
- Python Data Analysis - LinkedIn Learning
- Excel Essential Training
